County Ordinance #97-115 mandates that the sheriff's office must be provided with two (2) key holders in households separate from the address of the alarm location. This information must be supplied in full prior to activating the alarm system. In the case an actual break-in or damage to the property occurs, the contact people will be notified and asked to respond to secure the premises. (Contacts must be able to respond within thirty (30) minutes).
