- 5. Window/Glass Cleaner
- 6. Dawn Dish Soap (for general dishes & bathing baby animals)

Items we cannot accept:

- 1. “Well-loved” items- Pet items that have been loved past their prime. Unfortunately, these items are either not safe or cannot be sufficiently sanitized for kennel use in a multidog/cat environment. We ask that any items that are “well loved” be safely/properly discarded.
- 2. We cannot accept items that require repair, replacement parts or are more than 25% rusted (crates etc)
- 3. Like New items that are not pre-cleaned (ie used fleece blankets that have not been washed), toys that have dirt and litter embedded in them etc.
- 4. We cannot accept expired donated food- however, the local wildlife sanctuary usually can. They also usually accept open food!
- 5. We appreciate you thoroughly checking “like new” items before donating, so our staff is easily able to sort these items into their new homes for use.
- 6. If an item is not on the needed list, please do not donate it as it will most likely not be used.
